

Week 40
Baby Bunting
6" and 12"

## Welcome to our Sew a long for 2020 and thank you for joining us

Each week we will be posting a free PDF pattern and tutorial the block for the week. You can make it as a $6^{\prime \prime}$ block or $12^{\prime \prime}$ block (finished) or make both of course.

We would love to see what you are making so please feel free to post your photo's on Facebook and Instagram using the hashtag \#dqc52sewalong .

Note: all seam allowances are $1 / 4$ " unless other wise stated

Cutting Instructions

| Background | Cut | 1 |
| :--- | :--- | :--- |
|  | Cut | 2 |
|  | Cut | 2 |
|  | Cut | $1 *$ |

Fabric A \& B Fabric C Fabric D

6"
$2^{\prime \prime}$ square
$23 / 4^{\prime \prime}$ squares
$2^{\prime \prime} \times 31 / 22^{\prime \prime}$ rectangles
$37 / 8^{\text {th }}$ square
2"squares
$23 / 4$ " squares
$23 / 8^{\text {th }}$ square
$12^{\prime \prime}$
$31 / 2$ " square
$41 / 4^{\prime \prime}$ squares
$31 / 2^{\prime \prime} \times 6 \frac{1}{2}$ " rectangles
$67 / 8^{\text {th" }}$ square
$31 / 2$ " squares
$41 / 4$ " squares
$37 / 8^{\text {th }}$ square

* cut in half diagonally once

## Piecing Instructions

1. Drawn a diagonal line on the back of the Background $23 / 4$ " ( $41 / 4$ ") squares. Pair up a Fabric C $23 / 4^{\prime \prime}$ ( $4 \frac{1}{4} \mathbf{4}^{\prime \prime}$ ) square - right sides together and sew $1 / 4$ " on either side of the drawn line. Cut apart on the drawn line and press. Repeat to make four units. Press and trim each half square triangle block to $2^{\prime \prime}\left(31 / 2^{\prime \prime}\right)$.
 triangle to either side as shown. You will sew one on, fold back and press and then sew the second one. ${ }^{*}$ you will have a $1 / 4$ " overlap at this point.

Now sew the Background $37 / \mathbf{8}^{\text {th }}\left(67 / \mathbf{8}^{\text {th }}\right.$ ) half square triangle to this unit.

Press and this unit will measure $31 / 2^{\prime \prime}\left(61 / 2^{\prime \prime}\right)$

Okey dokey, time to put your block together. Lay out all your block pieces as shown below. You will piece the four sections and then sew those together. Each section will measure $31 / 2 "\left(6^{1 / 2 \prime}\right)$

Note: You will only use half of the Background $37 / 8^{\text {th }}$ (6 7/8 $8^{\text {th" }}$ ) square. The other half will be for another project.

Well done, another gorgeous block make. Press well and your block will measure $61 / 21$ ( $121 / 2$ " $)$
