**Welcome to our Sew a long for 2020 and thank you for joining us**

Each week we will be posting a free PDF pattern and tutorial the block for the week. You can make it as a 6" block or 12" block (finished) or make both of course.

We would love to see what you are making so please feel free to post your photo's on Facebook and Instagram using the hashtag #dq52sewalong .

Note: all seam allowances are 1/4" unless other wise stated

Cut in half diagonally twice

Piecing Instructions

1. Piece together two **Fabric A** & one **Fabric B** 2 5/8th" squares as shown. Press to the darker fabric.

2. Sew a **Background** half square triangle to each end. Fold back and press.

Note: there will be an overhang when you sew on the background triangles. Don't cut them off.

3. Sew a **Background** quarter square triangle (QST) to each end of the **Fabric A** square. Press to the dark fabric. Note: there will be an overhang when you sew on the background triangles. Don't cut them off.

Now sew on a **Background** half square triangle to the end of this unit as shown.

Repeat to make two units.

Okay, time to put it all together. This block is pieced diagonally as shown. Take care to butt your seams.

When you have pieced the three sections together, you will have a  $\frac{1}{4}$ " over lap at each of the points. When you trim your block (if you need to) make sure you keep that  $\frac{1}{4}$ " allowance.

Well done, this is your final block for the Sew Along 2020. Press your block well and make sure it measures  $6\frac{1}{2}$ " x  $6\frac{1}{2}$ " ( $12\frac{1}{2}$ " x  $12\frac{1}{2}$ ").
