

Welcome to our Sew a long for 2020 and thank you for joining us

Each week we will be posting a free PDF pattern and tutorial the block for the week. You can make it as a 6" block or 12" block (finished) or make both of course.

We would love to see what you are making so please feel free to post your photo's on Facebook and Instagram using the hashtag #dqc52sewalong.

Note: all seam allowances are 1/4" unless other wise stated

~~~				~~~~~	
<u>Cutting Instructions</u>			6"	12"	
Fabric A	Cut	4	2" squares	3 ½" squares	<b>、</b>
Fabric B	Cut	4	2 3/8 th " squares	3 7/8 th " squares	
Fabric C	Cut	1	4 ¼" squares	7 ¼" squares	$\mathbf{X}$
Fabric D	Cut	1	3 ½" squares	6 ½" squares	
cut in	half diagon	ally once	cut in half diagonally	/ twice	

## **Piecing Instructions**

This week we are making the flying geese unit in this block slightly differently. When cutting your **Fabric C** square in half diagonally twice, take care to make sure that you line up the corners with your ruler carefully. There is no wiggle room in this block.

1. Sew a **Fabric B** half square triangle to the left side of the **Fabric C** quarter square triangle. Keep in mind that these have a bias edge so handle carefully.

Fold back and press. Repeat with another **Fabric B** piece on the other side. Press. As with all flying geese blocks, you will have an overlap at the top point of your block.

Press well and measure to make sure that this unit measures 2" x 3 ½" (3 ½" x 6 ½") Repeat to make four units

Okey dokey, time to put your block together. Lay out all your block pieces as shown below.

Well done, another gorgeous block make. Press well and your block will measure  $6\frac{1}{2}$ " (12  $\frac{1}{2}$ ")
