

Week 44

Lady of the Lake

6" and 12"

Welcome to our Sew a long for 2020 and thank you for joining us

Each week we will be posting a free PDF pattern and tutorial the block for the week. You can make it as a 6" block or 12" block (finished) or make both of course.

We would love to see what you are making so please feel free to post your photo's on Facebook and Instagram using the hashtag #dqc52sewalong .

Note: all seam allowances are ¼" unless other wise stated

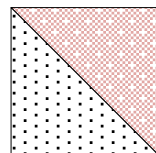

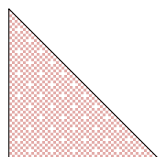

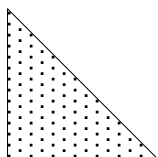

Cutting Instructions – use dark mediums and lights for this block

		6"	12"
Fabric A	1	5" square	1 9" square
Fabric B (light)	1	5" square	1 9" square
Fabric C	10	2" squares	4 3" squares
Fabric D (light)	10	2" squares	4 3" squares

Putting It All Together

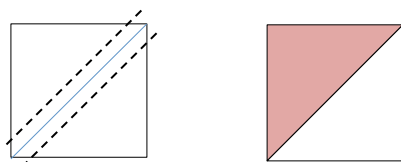

1. Cut the **Fabric A & Fabric B** 5" (9") in half diagonally. You will only use one half of each fabric for this block.
2. With right sides together sew the two together along the diagonal edge. Open out and press to the dark fabric. Trim back to 4 ½" (8 ½") square.

3. Making Half Square Triangle Blocks

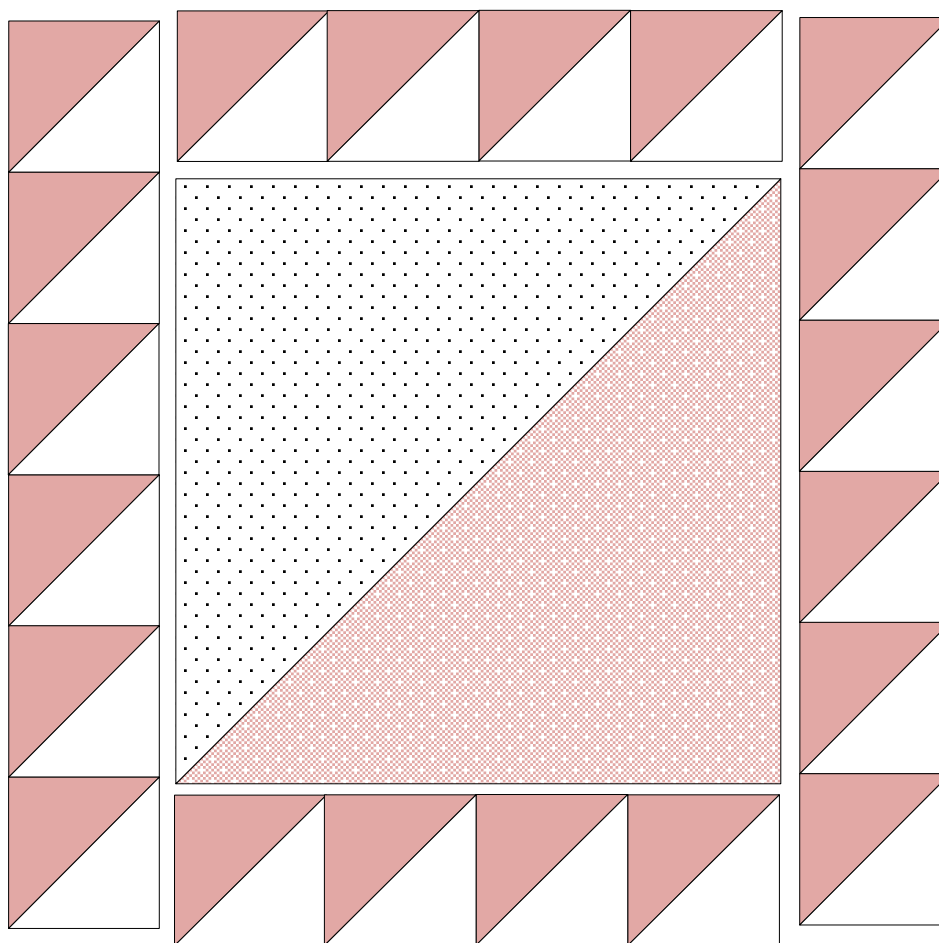

Draw a diagonal line on the wrong side of the **Fabric D** 2" (3") squares. Pair each one together with a **Fabric C** 2" (3") square. Sew together $\frac{1}{4}$ " either side of the diagonal line.

Cut apart on the diagonal line – open out and press to the dark fabric. Trim each square back to $1\frac{1}{2}$ " ($2\frac{1}{2}$ "). You will have 20 half square triangle units.

Sew your half square triangles into two groups of four and two groups of six. Take care to orientate them the same way as shown below.

Now you have all your units made, it's time to put your block together.

Well done, see you next week.
