Piecing Instructions

1. Draw a diagonal line on the wrong side of the **Fabric 1** 3 1/4" (3 1/4") squares. Pair together **Fabric 2** 3 1/4" (3 1/4") squares. With right sides together, sew a 1/4" on either side of the drawn line.

Cut apart on the drawn line and press to the **Fabric 1** side.

You will have 3 (12) half square triangle units  
Note: for the 6" block you will only need 3 units so you  
will have a spare.

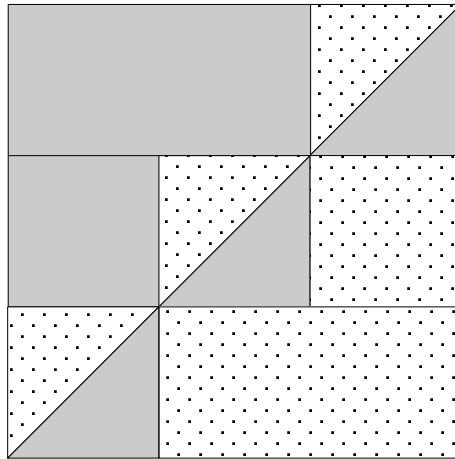

Trim back to 2 1/2" (2 1/2") squares.

Okey dokey, time to put your block together.

For the 6" block you will make one block and for the 12" block you will make four blocks to  
make the pattern.
